## **Press Release**

### **Enrollment data of schools to be submitted by Nov 14 for timely printing of free text books: Reform Support Unit, E&LD**

Karachi, 07 Nov 2014: "All District Education Officers (DEOs) and Director Schools Education (DSEs) should submit data regarding enrollment of students from class 1-10 by November 14, 2014", said Mr. Ghulam Nabi, Senior Program Manager, Reform Support Unit, Education and Literacy Department, Government of Sindh.

Every year Government of Sindh provides approximate 4.2 million free text books to students of government schools of class 1-10. This incentive is one of the key initiatives of Sindh government towards increasing enrollment, reducing education cost and resulting in increasing literacy rate. The printing of these books totally depends on the data of enrollment provided by the DEOs and DSEs. Therefore, the timely availability of data is highly important. The books are distributed at the start of every academic year.
